

Reference Management by Mendeley

Introduction

Make a Difference with Mendeley.

Library holds a workshop for researchers to learn how to use the reference management software, **Mendeley**.

The software will save your time on organizing research papers and formatting references.

Required

Where
is
the article
I need?

Make a Difference with Mendeley

Where is the PDF file I need...?
I have no time left to write citations!
Mendeley helps you avoid such troubles
with functions of file organizing and auto citation.

When will I finish
writing this
reference list...?
